CHAP. 43.

AN ACT TO AMEND THE LAW RELATING TO THE MEASUREMENT OF THE TONNAGE OF MERCHANT SHIPS.

26th August, 1889.

Be it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1.—(1.) In the measurement of a ship for the purpose of ascertaining her register tonnage, no deduction shall be allowed in respect of any space which has not been first included in the measurement of her tonnage.

(2.) In section twenty-one, paragraph (1), of the Merchant Shipping Act, 1854, the words "First, that nothing shall be added for a closed-in space solely appropriated to the berthing of the crew, unless such space exceeds one-twentieth of the remaining tonnage of the ship, and in case of such excess the excess only shall be added; and secondly"; and in section twenty-two, paragraph (2), of the same Act the words "subject to the deduction for a closed-in space appropriated to the crew, as mentioned in Rule 1." shall be repealed.

Provided that this section shall not apply until after the expiration of five years from the date of the passing of this Act to any ship in the measurement or re-measurement of which the deductions prohibited by this section have been made before the tenth day of March, one thousand eight hundred and eighty-nine, or to any ship the building of which was commenced before the tenth day of March one thousand eight hundred and eighty-nine, and which is registered for the first time between that date and the last day of December one thousand eight hundred and eighty-nine, unless in either case the ship is, before the expiration of the said five years, measured or re-measured in accordance with the provisions of this Act, and any such ship may be measured or re-measured at the request of the owner.

But this exemption shall not extend to any ship in the case of which the allowance for propelling-power space exceeds fifty per cent. of the gross tonnage of the ship.

Subject as aforesaid, the tonnage of every ship shall be estimated for all purposes as if any deduction prohibited by this section had not been made, and the particulars relating to the ship's tonnage in the register book, and in her certificate of registry, shall be corrected accordingly.

2. In the case of any ship built or measured after the passing of this Act, such portion of the space or spaces above the crown of the engine room and above the upper deck as is framed in for the machinery or for the admission of light and air, shall not be included in the measurement of the space occupied by the propelling power, except in pursuance of a request in writing to the Board of Trade by the owner of the ship, and shall not be included in pursuance of such request unless:—

(a.) that portion is first included in the measurement of the gross tonnage; and

(b.) a surveyor appointed under the Fourth Part of the Merchant Shipping Act, 1854, certifies that the portion so framed in is reasonable in extent and is so constructed as to be safe and seaworthy, and that it cannot be used for any purpose other than the machinery or for the admission of light and air to the machinery or boilers of the ship.

3.—(1.) In measuring or re-measuring a ship for the purpose of ascertaining her register tonnage, the following deductions shall be made from the space included in the measurement of the tonnage:—

(a.) In the case of a ship wholly propelled by sails, any space set apart and used exclusively for the storage of sails:

(b.) In the case of any ship—

(i.) Any space used exclusively for the accommodation of the master;

(ii.) Any space used exclusively for the working of the helm, the capstan, and the anchor

gear, or for keeping the charts, signals, and other instruments of navigation, and boat swain's stores; and

(iii.) The space occupied by the donkey engine and boiler, if connected with the main pumps of the ship.

(2.) The deductions allowed under this section shall be subject to the following provisions, namely:

(a.) The space deducted must be certified by a surveyor appointed by the Board of Trade as reasonable in extent and properly and efficiently constructed for the purpose for which it is intended;

(b.) There must be permanently marked in or over every such space a notice stating the purpose to which it is to be applied and that whilst so applied it is to be deducted from the tonnage of the ship;

(c.) The deduction on account of space for storage of sails must not exceed two and a half per cent. of the tonnage of the ship.

4. In the case of a screw steamship which, at the passing of this Act, has an engine-room allowance of thirty two per cent. of the gross tonnage of the ship, and in which any crew space on deck has not been included in the gross tonnage, whether its contents have been deducted therefrom or not, the crew space shall be, on the application of the owner of the ship, or by direction of the Board of Trade, measured and its contents ascertained and added to the register tonnage of the ship; and if it appears that with such addition to the tonnage the engine-room does not occupy more than thirteen per cent. of the tonnage of the ship, the existing allowance for engine-room of thirty-two per cent. of the tonnage shall be continued, notwithstanding anything in this Act.

5. In the case of a ship constructed with a double bottom for water ballast, if the space between the inner and outer plating thereof is certified by a surveyor appointed by the Board of Trade to be not available for the carriage of cargo, stores, or fuel, then the depth required by section twenty-one, paragraph (2), of the Merchant Shipping Act, 1854, shall be taken to be the upper side of the inner plating of the double bottom, and that upper side shall, for the purposes of measurement, be deemed to represent the floor timber referred to in that section.

6. If and whenever it is made to appear to Her Majesty that the tonnage of any foreign ship, as measured by the rules of the country to which she belongs, materially differs from that which would be her tonnage if measured under the Merchant Shipping Act, 1854, and the Acts amending the same, Her Majesty may from time to time, by Order in Council, direct that, notwithstanding any Order in Council for the time being in force under those Acts, any of the ships of that country may, for all or any of the purposes of those Acts, be re-measured in accordance with the provisions of those Acts, and Her Majesty may revoke any Order so made.

7. This Act may be cited as the Merchant Shipping (Tonnage) Act, 1889, and shall be construed as one with the Merchant Shipping Act, 1854, and the Acts amending the same.

CHAP. 46.

AN ACT TO AMEND THE MERCHANT SHIPPING ACT, 1854, AND THE ACTS AMENDING THE SAME.

26th August, 1889.

Be it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1. Every master of a ship and every person lawfully acting as master of a ship by reason of the decease or incapacity from illness of the master of the ship, shall, so far as the case permits, have the same rights, liens, and remedies for the recovery of disbursements properly made by him on account of the ship, and for liabilities properly incurred by him on account of the ship, as a master of a ship now has for the recovery of his wages; and if in any proceeding in any Court of Admiralty or Vice Admiralty, or in any County Court having Admiralty jurisdiction, touching the claim of a master or any person lawfully acting as master to wages or such disbursements or liabilities as aforesaid, any right of set-off or counterclaim is set up, it shall be lawful for the Court to enter into and adjudicate upon all questions, and to settle all accounts then arising or outstanding and unsettled between the parties to the proceeding, and to direct payment of any balance which is found to be due.

2.—(1.) Any agreement with a seaman made under section one hundred and forty-nine of the Merchant Shipping Act, 1854, may contain a stipulation for payment to or on behalf of the seaman, conditionally on his going to sea in pursuance of the agreement, of a sum not exceeding the amount of one month's wages payable to the seaman under the agreement.

(2.) Save as authorized by this section, any agreement by or on behalf of the employer of a seaman for the payment of money to or on behalf of the seaman conditionally on his going to sea from any port in the United Kingdom shall be void, and no money paid in satisfaction or in respect of any such agreement shall be deducted from the seaman's wages, and no person shall have any right of action, suit or set-off against the seaman or his assignee in respect of any money so paid or purporting to have been so paid.

(3.) Nothing in this section shall affect any allotment made under the Merchant Shipping Act, 1854, or the Acts amending the same.

(4.) Section two of the Merchant Seamen (Payment of Wages and Rating) Act, 1880, is hereby repealed.

3. Every Superintendent of a merchantile marine office shall keep at his office a list of the seamen who, to the best of his knowledge and belief, have deserted or failed to join their ships after signing an agreement to proceed to sea in them, and shall on request show this list to any master of a ship.

A Superintendent of a mercantile marine office shall not be liable in respect of any entry made in good faith in the list so kept.

4. Where a seaman has agreed with the master of a British ship for payment of his wages in British sterling or any other money, any payment of, or on account of, his wages if made in any other currency than that stated in the agreement, shall, notwithstanding anything in the agreement, be made at the rate of exchange for the money stated in the agreement for the time being current at the place where the payment is made.

5. The provisions of the Merchant Shipping Act, 1854, and the Acts amending the same, with respect to steamships, shall apply to ships propelled by electricity or other mechanical power, with such modifications as the Board of Trade may from time to time prescribe for purposes of adaptation.

6.—(1.) This Act may be cited as the Merchant Shipping Act, 1889.

(2.) This Act shall be construed as one with the Merchant Shipping Act, 1854, and the Acts amending the same, and this Act and those Acts may be cited collectively as the Merchant Shipping Acts, 1854 to 1889.

CHAP. 52.

AN ACT TO PREVENT THE DISCLOSURE OF OFFICIAL DOCUMENTS AND INFORMATION.

26th August, 1889.

Be it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. (1.) (a.) Where a person for the purpose of wrongfully obtaining information

(i.) enters or is in any part of a place belonging to Her Majesty the Queen, being a fortress, arsenal, factory, dockyard, camp, ship, office, or other like place, in which part he is not entitled to be; or

(ii.) When lawfully or unlawfully in any such place as aforesaid, either obtains any document, sketch, plan, model, or knowledge of anything which he is not entitled to obtain, or takes without lawful authority any sketch or plan; or

(iii.) When outside any fortress, arsenal, factory, dockyard, or camp belonging to Her Majesty the Queen, takes or attempts to take without authority given by or on behalf of Her Majesty, any sketch or plan of that fortress, arsenal, factory, dockyard or camp; or

(b.) Where a person knowingly having possession of, or control over, any such document, sketch, plan, model, or knowledge as has been obtained or taken by means of any act which constitutes an offence against this Act at any time wilfully and without lawful authority communicates or attempts to communicate the same to any person to whom the same ought not, in the interest of the State, to be communicated at that time; or

(c.) Where a person after having been entrusted in confidence by some officer under Her Majesty the Queen with any document, sketch, plan, model or information relating to any such place as aforesaid, or to the naval or military affairs of Her Majesty, wilfully and in breach of such confidence communicates the same when, in the interest of the State, it ought not to be communicated;

he shall be guilty of a misdemeanor, and on conviction be liable to imprisonment, with or without hard labour, for a term not exceeding one year, or to a fine, or to both imprisonment and a fine.

(2.) Where a person having possession of any document, sketch, plan, model or information relating to any fortress, arsenal, factory, dockyard, camp, ship, office, or other like place belonging to Her Majesty, or to the naval or military affairs of Her Majesty, in whatever manner the same has been obtained or taken, at any time wilfully communicates the same to any person to whom he knows the same ought not, in the interest of the State, to be communicated at that time, he shall be guilty of a misdemeanor, and be liable to the same punishment as if he committed an offence under the foregoing provisions of this section.

(3.) Where a person commits any act declared by this section to be a misdemeanor, he shall, if he intended to communicate to a foreign State any information, document, sketch, plan, model or knowledge obtained or taken by him, or entrusted to him as aforesaid, or if he communicates the same to any agent of a foreign State, be guilty of felony, and on conviction be liable at the discretion of the Court to penal servitude for life, or for any term not less than five years, or to imprisonment for any term not exceeding two years with or without hard labour.

2.—(1.) Where a person, by means of his holding or having held an office under Her Majesty the Queen, has lawfully or unlawfully either obtained possession of or control over any document, sketch, plan, or model, or acquired any information, and at any time corruptly or contrary to his official duty communicates or attempts to communicate that document, sketch, plan, model or information to any person to whom the same ought not, in the interest of the State, or otherwise in the public interest, to be communicated at that time, he shall be guilty of a breach of official trust.

(2.) A person guilty of a breach of official trust shall—

(a.) if the communication was made or attempted to be made to a foreign State, be guilty of felony, and on conviction be liable at the discretion of the Court to penal servitude for life, or for any term not less than five years, or to imprisonment for any term not exceeding two years, with or without hard labour; and

(b.) in any other case be guilty of a misdemeanor, and on conviction be liable to imprisonment, with or without hard labour, for a term not exceeding one year, or to a fine, or to both imprisonment and a fine.

(3.) This section shall apply to a person holding a contract with any department of the Government of the United Kingdom, or with the holder of any office under Her Majesty the Queen as such holder, where such contract involves an obligation of secrecy, and to any person employed by any person or body of persons holding such a contract, who is under a like obligation of secrecy, as if the person holding the contract and the person so employed were respectively holders of an office under Her Majesty the Queen.

3. Any person who incites or counsels, or attempts to procure, another person to commit an offence under this Act, shall be guilty of a misdemeanor, and on conviction be liable to the same punishment as if he had committed the offence.

4. The expenses of the prosecution of a misdemeanor under this Act shall be defrayed in like manner as in the case of a felony.

5. If by any law made before or after the passing of this Act by the Legislatures of any British possession provisions are made which appear to Her Majesty the Queen to be of the like effect as those contained in this Act, Her Majesty may, by Order in Council, suspend the operation within such British possession of this Act or of any part thereof, so long as such law continues in force there, and no longer, and such order shall have effect as if it were enacted in this Act:

Provided that the suspension of this Act, or of any part thereof, in any British possession shall not extend to the holder of an office under Her Majesty the Queen who is not appointed to that office by the Government of that possession.

The expression "British possession" means any part

of Her Majesty's dominions not within the United Kingdom.

6. (1.) This Act shall apply to all acts made offences by this Act when committed in any part of Her Majesty's dominions, or when committed by British officers or subjects elsewhere.

(2.) CORPORATE LEASES BY-LAW, 1890.

A By-Law to regulate the leasing of the Corporate Property of the City of New Westminster.

WHEREAS it is expedient to provide for the leasing of the corporate property of the City of New Westminster;

Be it therefore enacted by the Mayor and Aldermen of the City of New Westminster, in Council assembled, as follows:—

1. This by-law shall apply to every lease which may be made after it shall have come into force of any property which the Council shall have power to lease; provided, however, that nothing herein shall be held

to annul or make void the lawful provisions of any existing lease or agreement.

2. The Council may by resolution declare to whom, for what term, and at what rent any Lot or portion of a Lot which the Council may have power to lease shall be leased, or may direct that any such Lot, or portion of a Lot, shall be offered for lease by public auction, but no such lease shall be for a longer period than 5 years, and every such lease, of what nature or kind soever, shall contain a proviso for re-entry in case of non-payment of any rent or non-fulfilment of any conditions covenanted to be paid or performed by the lessee or lessees.

3. Every lease made under the authority of this by-law shall contain a provision that the rent for the leased premises shall be paid quarterly in advance, and that if any rent shall remain in arrears for 30 days after the same shall have become due, the lease shall forthwith lapse and re-entry may be made without any notice to the lessee or lessees.

4. Every lease of an unimproved water Lot shall also contain a provision that the lessee shall, within 90 days, make or cause to be made thereon improvements of a permanent character to the value of at least \$500; but no building, erection or construction of any kind shall be made on any such Lot except in accordance with a plan or plans which have been approved of by the City Engineer in writing, and no such plan shall be approved which does not provide for piles not less than 10 inches in diameter at the smallest end, and that the rows of piles at right angles to the bank of the river shall be not more than 8 feet from centres, and those parallel with the river bank not more than 10 feet from centres, and for a roof of some fire-proof material.

5. No building or shed of any kind shall be erected or placed on any wharf opposite the end of any street intersecting Columbia or Front Street at, or nearly at, right angles, and the space hereby reserved from buildings shall be the same width as the street so intersecting Columbia or Front Street, and the lateral lines of the reserved space shall be as nearly as may be at right angles to the shore line of the river, unless otherwise determined by the Council. No building, erection or structure on any water Lot shall be used as a store, shop or office (except that which is commonly known as a shipping office or wharfinger's office), nor shall any warehouse other than that necessary for the safe-keeping of freight be erected or maintained thereon, nor shall any goods or merchandise of any kind whatever be kept or stored thereon except freight for shipment or delivery in the ordinary course of shipping, nor shall any cattle, pigs, poultry, sheep or other live stock be kept or allowed to remain thereon for any period longer than may be necessary in the course of traffic; provided, that it shall be lawful for any lessee to store and sell coal and hay on any such wharf.

6. At the expiry of any lease of any water Lot made or granted in pursuance of this by-law all improvements made by the lessee on such water Lot shall become the property of the Corporation; provided, however, that in case the Corporation refuses to renew such lease, such lessee shall be entitled to claim and receive from the Corporation such sum of money as shall represent the excess of value of such improvement over and above the amount of \$500, and such value shall be ascertained by deducting from the first cost of such buildings and improvements any special damage which they may have sustained by fire or otherwise, unless such special damage has been made good to the satisfaction of the City Engineer, and whether any such special damage has or has not been sustained the sum of 10 per cent per annum for depreciation; provided that no lessee shall be entitled to claim compensation for improvements if he renews or forfeits his lease, nor unless such improvements have been made in accordance with a plan approved of by the City Engineer in writing, nor unless a full description of such improvements, with declaration of cost, was deposited with the City Clerk when such improvements were made, nor shall such claim be made or allowed in any case in respect of improvements made, or begun to be made, more than two years after the granting of the lease, or the last renewal thereof; provided, also, that no lessee shall be entitled to claim or receive from the Corporation a sum greater than \$1,000 in respect of the improvements on any such Lot; provided, also, that should the Council refuse to renew any lease of any water Lot existing at the time of the passing of this by-law, the lessee shall be entitled to compensation for all improvements made by him on such Lot before the passing of this by-law, and the amount of such compensation shall be 30 per

cent. of the actual value of such improvements as assessed by the Council, but no such compensation shall exceed the sum of \$500 for the improvements on any one Lot.

8. A provision shall be inserted in every lease granted under this by-law, binding the lessee to pay to the Corporation all taxes which may be levied by the Council on the leased premises, or the improvements thereon.

8. Notwithstanding anything contained in this by-law the Council may modify, by resolution, the conditions hereinbefore set out in the case of any lease which is in the nature of a bonus or gift to any railway, manufacturing establishment, or other enterprise deemed to be of public advantage.

9. The "New Westminster Leases By-Law, 1883," is hereby repealed.

10. This by-law may be cited as the "Corporate Leases By-Law, 1890."
